

Canadian Radiation Protection Association  
Association canadienne de radioprotection

2025

# Anthony J. MacKay Student Paper Contest

All students enrolled full-time in a Canadian college or university program related to the radiation sciences, as well as students who have graduated since May 2024, are eligible to enter. To enter, submit a max 750 word abstract on a topic that includes some aspect of radiation protection.

**Three finalists** will be chosen to present their paper **in person** at the [CRPA conference](#) in **Hamilton, Ontario** from **May 26-30, 2025**.

The three finalists will have conference registration (including banquet) and three nights' hotel accommodation paid to attend the conference and present their paper.

The winner will receive the Anthony J. MacKay award, to be presented at the Banquet during the Conference, have their paper published in the [CRPA Bulletin](#), and a \$250 cash prize.

All contest entrants will receive a complimentary CRPA membership, valid until December 31, 2025. Students who are already CRPA members will have their membership extended by one year.

Submission deadline:

**February 14, 2025  
11:59 PM EST**
