

Canadian Radiation Protection Association
Association canadienne de radioprotection

2026 Anthony J. MacKay Student Paper Contest

All students enrolled full-time in a Canadian college or university program related to the radiation sciences, as well as students who have graduated since May 2025, are eligible to enter. To enter, submit a max 750 word abstract on a topic that includes some aspect of radiation protection.

Three finalists will be chosen to present their paper **in person** at the [CARST-CRPA Symposium on Radon and Radiation Protection](#) in **Saskatoon, SK** from **May 27-31, 2026**.

The three finalists will receive complimentary conference registration (including banquet) and three nights' hotel accommodation to attend the conference and present their papers, be featured in the [CRPA Bulletin](#), and their papers will be published in the Conference Program.

The winner will receive the Anthony J. MacKay Trophy and a \$500 cash prize. The award will be presented at the Symposium Banquet, and a feature article, along with their paper, will be published in the [CRPA Bulletin](#).

All contest entrants will receive a complimentary membership with [CRPA](#) and [CARST](#) (valid until December 31, 2026). Entrants who are already members will have their membership extended by one year.

SUBMISSION DEADLINE

January 15, 2026
11:59 PM EST
