

Canadian Radiation Protection Association
Association canadienne de radioprotection

2027 Anthony J. MacKay Student Paper Contest

All students enrolled full-time in a Canadian college or university program related to the radiation sciences, as well as students who have graduated since May 2026, are eligible to enter. To enter, submit a max 750 word abstract on a topic that includes aspects of radiation protection.

Three finalists will be chosen to present **in person** at [CRPA 2027](#) in **Vancouver, BC** during the week of **May 17-20, 2027**.

Finalists will receive support to attend the conference and present their paper. This support will include **complimentary conference registration (including a banquet ticket), three nights' hotel accommodation, and reimbursement of travel expenses**. Finalists will be featured in the [CRPA Bulletin](#) and their papers will be published in the Conference Program.

The winner will receive the Anthony J. MacKay Trophy and a **\$500 cash prize**. The award will be presented at the CRPA Banquet, and a feature article about the winner, along with their paper, will be published in the [CRPA Bulletin](#).

All contestants will receive a complimentary CRPA membership (valid until Dec 2027). Student memberships will be free (upon proof of enrollment) starting in 2027.

SUBMISSION DEADLINE

**November 20, 2026
11:59 PM EST**
